### The Premises:

A modern flat about a 10 minute walk from West Croydon rail station. It was located in a quiet mews so very discreet. It had shower facilities inside.

### The Lady:

A bottle blond haired Polish girl, larger than pictured, but very friendly and very busty.

### The Story:

I did originally intend on staying longer, but Google Maps set me the long way round and I was a bit tired on arrival. The service itself was a relaxing hot oil massage culminating in a slow hand relief ending. The massage was quite relaxing and the sensation of hot oil added to the pleasure. The massage included body to body, but as previous reviews from me have indicated this is something I think spoils the massage. The relief was delivered very slowly and sensually and I had full access to Sara's D cup breasts. I had a long shower to clean the oil from my body and then dressed and made my way back to East Croydon station.
