Blossom - English Lady - Best of the Best . Hottest Chick Ever!!

The Story:

OMG....landed feeling horny as fuck. not had a girlfriend for a while. but who needs one when there is a Blossom in town....and boy does she grow...or made my dick grow. she's a new girl and without doubt the fittest in GFE by far!!

Never in a million years could you pull a chick like her. apart from being drop dead gorgeous her goal in life was to please. After having quick shower and being hypnotised by her cracking figure and lovely bouncy tits she gave me a quick massage. she said she wasnt an expert but did enough for me. we launched into a few pecks then full on DFK - when i reminded her that's what i wanted...that hardened my little man into mr granite...which she tried to suffocate and drown in her wet luscious mouth.

she blew me like a trumpet player and i was ready to pop my cork...but had to drag her back for some dfk and suck her big bouncy tits while fingering her tight delicious pussy. there was no option to go down on her...and just moved in to her furry pie....delish!!

she was sensitive and kept thrusting her pert arse in the air - to say thanks for that!!

the rubber went on while she cowgirlled until i swiftly shed my load.

if i could i would have rented a place in her pussy and fucked her for the rest of the day...what a hot sex goddess!!

Blossom - simply awesome!!

Thanks Babe for a dream event xx
