The Story:

my second visit and not the last. I think she is a new star. Her english is basic, but she has a jovial attitude so it will get better. Her service is superb, everything I wanted I got and she was enjoying it as well. She is genuinely interested to provide a good service. It is GFE style rather than PSE. She is very clean and well mannered. Not going into details, but I think she is worth that visit and will be appreciated by the connoisseurs.
