The Lady:

Far better than photos suggest. Age given on site seems very accurate and Ariel is stunning. The biggest brown eyes and an infectious smile. Amazing body with enhanced boobs but not unnaturally so. Superb cute little bum!

The Story:

Absolutely first class. Not the most experienced girl but my God is she willing!! All services performed with a smile and pre and post assisted shower was lovely. A top top girl but do treat her well- she is a rare gem.

We have all had that awful moment of the door opening and the girl who opens it bears little resemblance to the photos on whatever web site you booked through- well in this case Ariel is so much better in the flesh. Will be back to give her some more English lessons!!!
