The Story:

It was a weird day having booked Trina for 11.30 I arrived at 11.15 to be greeted by the receptionist sitting outside on the step. I was shown to the top floor as Trina wasn't in yet. Spent some time listening to Pixi's sex show in the room next door and heard that the punter in the room opposite had booked with Karolina but she was late. He was offered Star who came into my room by mistake (fit looking though!). Time was running out for me as it was now 11.40 then I was offered Karolina who has just arrived, had seen her in the past so I know I was in for a treat.

She came into the room with a blouse and skirt on that didn't leave much to the imagination. These soon came off to reveal that amazing body. Lots of kissing, oral, rimming, squirting licking ensued until I fucked her until I had no more to give.

Karolina is an amazing girl, she offers everything she says on her profile but with such enthusiasm! Funny, engaging and caring - a girl not to be missed
