The Premises:

End terraced house, a little run down to be honest but staff very helpful and friendly.

The Lady:

Says early thirties but looked a little bit younger, very attractive girl next door, pretty face and nice figure with a lovely natural pair of boobs.

The Story:

All in all a very nice time with Megan, she is very friendly and sexy with it, lots of full on kissing, don't want to go into too much detail but recommend her highly, even tried a bit of spanking with her, first time for me. I will definatly be back for some more naughtier stuff with her next time, might even try one of the parties.
