### The Premises:

Plain building from outside, inside, large waiting room 3 sofas and a large TV.  
Rooms clean, all have showers.

### The Lady:

Skye. OMG. I'm curious to know if Katie's Moulin Rouge was named that because of the song? As the lyrics "tempted by skin feeling silky smooth, colour of cafe olè." Seemed to describe Skye to a 'T'.

After paying my money she came back into the room and stood right up to me with a gorgeous smile. Wild frizzy hair and large. Wow. Boobs that just insisted I kiss them immediately.

### The Story:

Skye rolled on the condom with her mouth and did a BJ for a while before Cowgirl.  
She lay on her back with her legs high.  
Then into doggy style.

My knees trembled when I asked her to climb between my legs and finish me off by hand, hard and fast.

Skye. In the words of Arne.

"I'll be back."

Thank you for my first Hot Chocolate. X
