### The Premises:

Whilst the flat itself is very small the double bed really was quite adequate for our purposes.

### The Lady:

Leah is exactly like that as the website photos but her impishness is a welcome quality.

### The Story:

I had only recently become aware of this webpage and had spotted Leah who was to be my target for a 60th birthday treat. She had been away and this was her first day back so I made an appointment early in the day for the evening.

After a quick, non-shared shower the gorgeous Leah pounced on me with different oils, kissing and stoking me all over so my little friend became extremely aroused which she then gorged on in her mouth (not DT) and between her ample boobs of which she is very proud. She came on top and worked me over beautifully before finishing in mish.

Enjoyed a lovely chat (although she speaks very quickly) about Thailand - she is from the north hence her porcelain skin colour - whilst I was recovering. So with 20 mins left she was desperate for me to cum again and did things to me that no English or Eastern European girl has ever done to me in all my years in trying to achieve this for me. We even went a few mins over time but sadly it wasn't to be (but so very close) but hell, she really did give it a super try.

Such a sweet girl who even helped me dressing and spent some time trying to tie my tie which was very amusing - "its my job" she said!

The acid test of my enjoyment with Leah is measured in terms of 'would I visit' again. Yes I certainly would without reservation as she is such a beautiful girl and so wanting and willing to make the time so enjoyable together. Her attitude is so refreshing in comparison to so many of the other working girls I have seen over the years.

Special praise too for the quick text responses from the booking team.
