The Premises:

Very clean upper flat in downtown Mk. Highly discreet with free parking.

The Lady:

Brazilian lady of early 30's. Pleasant face, soft curvy body and nice firm natural boobs. Melina is very eager to please and enjoys her work. She has a very clean and also very tight pussy too.

The Story:

My visit to Melina was a successful return to punting after a break of nearly two years. I actually shared the lift with her on the way up to the flat and was not surprised to see her in the room. She was very friendly and we started with some gentle kissing (although FK as advertised was not on the menu.) She was very complimentary on the size of my old boy and wasted no time in showing me some of the best OWO skills I have ever experienced with expert mouth and hand skills and loads of spitting which I love.

Melina's coochie is pure pleasure and I returned the favour by licking her to a very noisy climax. On with a black condom and cowgirl, mish and doggy. Wow her pussy is tight and she was whimpering comically first off.... I prefer to finish CIM but this was not on offer so she finished me off over her tits with expert mouth and hands and some tingly lube stuff.

An overall satisfactory experience but a couple of minor points. Some of her advertised services are unavailable and we started late (1110) and finished at 1200 so some lost time. I had a meeting to go to and was totally satisfied so did not complain but will bear in mind next time.
