The Lady:

Did not match the photos on the website or the agency's description. Was informed that she was a slim 10/12 dress size, when she was 14 (perhaps closer to 16). Not the first time Night & Day have done this to me, but have also met some cracking ladies from the agency. They really do themselves a disservice at times.

The Story:

Pleasant enough lady. Good communicator - but physically not my type and simply could not get aroused, so much so that I found it easier to call it a day after 15 minutes and put it down to experience.
