The Premises:

Premises reported upon many times. Clean and tidy in a safe area with plenty of free parking nearby.

The Lady:

Petite, pretty lady with lovely eyes and an even better smile. Photos pretty accurate but she looks better in the flesh and could pass for younger than the advertised age. All over tan, a few small tattoos and a lovely pair of boobs! Intelligent and friendly conversation throughout and I found out her birthday is the day before mine!

The Story:

Arrived in good time and was shown to the room by the maid. Offered a drink and I took a shower while I waited for Nicole. I was still in there when she arrived in the room and she was already undressed down to her hold ups (which she kept on throughout) when I stepped out. Dried off and dealt with the paperwork while we discussed how my appointment was going to go. We started with Nicole massaging my legs and back with various levels of pressure and she then climbed on the table and started rubbing those magnificent boobs all over me. I was looking forward to massaging her too and as arranged we changed over there and I had my chance to run my hands all over her lovely body. I did her back and then she turned over and I spent a fair bit of time making sure her boobs were well oiled! She said she enjoyed it and thanked me. I then got back on the table and laid on my back and she continued massaging my front and at one point she was stood behind me massaging my chest and I had one boob either side of my head. Nicole then climbed aboard again to continue the body to body and spent a while rubbing her boobs over my cock and chest before getting off and progressing towards the finale. She applied copious amounts of oil to my cock and balls and rubbed and stroked me to the inevitable happy ending and gave lots of vocal encouragement as I made a mess everywhere! We still had a little bit of time left after Nicole cleaned me up so she did a bit more massage and when I had my final shower she applied some body scrub to me which was nice too. All in all a lovely relaxing hour spent with a lovely lady and I will be returning to see her again soon!
