The Premises:

Discreet and ver tidy flat off the main road. London parking rare and expensive; travel by tube as only 100 metres from station. Painters redecorating the outside of the property but minded their own business. Was offered shower on arrival and then moved to en suite room by lovely maid. Room very clean and tidy but hot; not an issue as this added to the fun.

The Lady:

Tall and very pretty lady in 30s with great curvy figure and a face that lights up every time she smiles. Smooth skin and lovely boobs (enhanced but well done.) Lovely hair and a couple of facial piercings. Her pussy is shaved, soft and wet.

The Story:

I made the big mistake of driving to this appointment; unlike MK, London has its own rules for punters and driving is a no-no unless hassle is your pleasure. I aarived at HOD 3 just before my appointment, pissed off and sweaty. I was ushered in and offered a drink and shower which I needed. After a short wait, Blake came in and I knew that she would melt away my blues. She is not a simple WG; she is a lady whose middle name should be "Genuine." She wore a little black dress with nothing under and she gave me real and deep kisses. Her pussy is most edible and clean unlike her mind which is deliciously dirty; we laughed when I told her that my Mum warned me about girls like her! I am not going graphic on the rest but would say that the sex was great and she blew my mind to finish. We laughed and she made me feel young again. Thanks again B. See you in MK soon. X
