The Premises:

Discreet basement flat , walking distance from three tube stations and paddington mainline. Large bedroom with couch and double bed and a clean bathroom with bath/shower.

The Lady:

Lovely friendly lady new to London, with a permanent smile and very giggly. Photos are spot on and there's a few tatoos. Age wise nearer 30.

The Story:

So off to see Pippa , new to London. Pippa's english is not too bad and she tries hard to understand. Service was top notch with lots of FK and hands everywhere. Dressed exactly as requested in sexy lingerie. A very GF experience until we were joined by her flatmate , who was moving out to Edgware Road the same day. Paperwork agreed and sorted, and a very raunchy threesome developed with every inch of a large double bed put to good use. Pippa really got into it, with non stop DFK from one or the other while the other one was busy elsewhere. What had started with a shared shower with Pippa ended up with a shared shower with both ladies . Memorable.
