### The Premises:

A modern flat with shower facilities about a 3 minute walk from Colindale tube station. The entry was by buzzer/intercom and was very discreet.

### The Lady:

A busty European girl. Not as slim as in the photo and with obvious signs of having had a recent birth.

### The Story:

An enjoyable punt on a lovely hot and sunny day. It was a gentle session which started with me removing Betsy's bra and fondling her plumpish natural breasts. We then laid on the bed and she stroked and licked me. I had declined the offer of covered oral. We then had protected sex in doggy position and I felt very relaxed. I had tipped an extra £10 for a facial finish and Betsy knelt in front of me, tilted her head to one side while I duly delivered my load.
