The Lady:

Venus is tall slender with nice body and smooth skin, she has a big tattoo on her back but for me it's more sexy.

The Story:

Once she open the door I have met with beautiful young Thai lady with big smile and very warm welcome, she asked me to sit and gave me nice and cool a glass of beer to relax before we start our game. She slowly take of my clothes playing my nipper fondle my body make me feel spasm and then we go to bathroom together and she gave me a nice body massage so make me out of control myself after that we go on the bed she start to wheedle me like a kitten and then we began round two.....

Oh what amazing time.... I did really enjoy it.. love you my kitten
