The Premises:

Basement flat in a quiet residential road between Bayswater and Lancaster gate. Bell doesn't work properly so Ariel met me at the door, first impressions OMG this was going to be fun! Her room was off to the left of a long corridor - I think at least one, maybe two other ladies stay here. Everything was impeccably clean and tidy, including the bathroom.

The Lady:

Very petite slim and athletic, with a lovely smile. Mid to late twenties at a guess and immediately recognisable from her photos, although taken in Thailand some time ago - new photos and video are promised very soon!

The Story:

This was a 90 minute booking extended to 3 hours, Ariel was so irresistible. We began with a very seductive lap dance with me sitting on a chair, followed by a sexy striptease and some deep kissing. The session that then followed was a blur of OWO, CIM, rimming, full body massage, and astonishing sex in the most athletic cowgirl position I have ever experienced, all led by Ariel with a cheeky smile on her face throughout. 10/10?..you bet!
