The Premises:

location Central Mayfair , very pleasant modern flat and high end surroundings.
Helena accommodates in very beautiful incall flat, that is clean and well presented.
She welcomed me and offered clean shower.

The Lady:

I requested suspenders, stockings and tight dress, she dressed as requested. I wanted something different to everyone else.

i would say she is a Stunning Brazilian, very connective and smiles a lot, she has curves in right places perky breasts and is a very special Latino lady.

She looks just as real in real life as her photos.

The Story:

DFK, extremely skilled with her oral, her BJ literally "blowed me away". Super energetic, we did different positions, doggy, sideways, 69 and more.. She has great body that is made for pleasure. I really enjoyed this lady a lot!

With the agency

Very friendly, well spoken and polite receptionist. Prompt and easy communication, I was looking for recommendations, Ida was very helpful. Overall fantastic, polite service. I always feel given an extra TLC from this lady. Thank you London Prive!
