The Premises:

This was my first visit to Cheshire Elite. The room was in pristine condition, very well decorated, the lighting was perfect in a way which created a lovely atmosphere, the shower worked at the right temperature and the bed was nice and large and well laid out. If only my bedroom was like that.

The Lady:

The description on the website of Roxy is about right. I would say she is in her 20's, 36C-23-34, red hair and curvy as the photos. She was wearing a bra and panty on with suspenders just like the photos. Facially she was in my opinion about 5/10.

The Story:

I had a quick shower and Roxy entered with my drink. She asked how I was and if there were any requests. I mentioned I liked proper full on snogging, wet sloppy blowjobs with plenty of attention to my balls, RO and lots of fucking. After confirming the prices, she began to give me a blowjob. Her blowjob was good with plenty of sucking, licking of the shaft with plenty of spit. She also has a very good technique for licking balls which felt amazing.

I then proceeded to lick her pussy which tasted ok. She let me finger her whilst I licked her. I wanted her to cum so she asked me to massage her Gspot whilst she rubbed her clit until she cummed.

On with the condom and I began to fuck her in missionary. She was happy with me fucking her slowly and then hard and fast. I did plenty of dirty talking but she wasn't much of a dirty talker herself. We also kissed whilst I fucked her. There was some use of tongues but it wasn't full on snogging. I continued to fuck her until I cummed in her pussy. She left the room whilst I took a shower and then I left the room as she had forgotten to come back.

Overall she was happy to do what I wanted but I was disappointed that there wasn't any full on snogging and very limited dirty talking from her. Roxy isn't bad but the time we spent wasn't overwhelming for me to return. I would rate this experience as neutral at 5/10 for me.
