The Lady:

normally girls are prettier in their pictures than in real life but in this case the opposite was true. i thought in her pictures that she looked slightly oriental and maybe slightly chubby of face. But when i arrived she was really cute like really really pretty.

The Story:

after being taken aback at how pretty she was, she was also taller than i imagined and slimmer. she was actually damn near perfect. Smallish boobs but perfectly formed, long legs that were firm and a great smile. thats another thing she looks kind of moody in her pictures and in real life she was smiley and welcoming.

when i had come out of shock she turned out to be pretty bubbly and lovely. chatty and a nice person.

once we got to the bedroom she was great. I wouldnt say she was my best ever but she was really good, she gave an amazing blow job, kissed with full tongue from start to finish and rode me like a pro, normal and reverse cowgirl.

the other thing is when i eventually noticed her arse it was tight and perfectly formed.

I would give a 8.5/10 for this girl. great girl great time. :)
