The Premises:

Very clean and well maintained premises. Large room with large bed. Shower facilities available. Shown in by cheerful maid and led past what must be ladies changing room as caught a glimpse of several gorgeous ladies wearing very little. Plenty of free parking nearby.

The Lady:

Very tall, i'm only a 5' 8" shortarse, long legs, perfect bum, great natural full breasts & suckable nipples that love attention and stand to attention. Very pretty girl next door type with long dark hair, flawless skin & come to bed eyes. Could not have been happier. This gorgeous young lady was wearing some very sexy black lingerie and black hold ups.

The Story:

Greeted with a lovely smile, long lingering kiss & a quick drop to her knees to give me a wonderful blow job which had the desired effect. Moved to the bed for some more French kissing & groping leading to my balls and cock being paid some more attention by Amy's wicked mouth. Time for me to return the compliment and taste her sweet pussy & rim her arse. Amy made all the right noises & after a prolonged 69 she emptied by balls and swallowed every drop. Sensational session with a gorgeous, friendly & very skilled lady who I want to see again soon and for longer.
