The Story:

I've been punting for a number of years and have always had one golden rule which has served me well, never book an appointment with a lady unless she has a number of reviews of which the vast majority are good.

However, when I tried to book Bonnie as I travelled to MK, I found out that she was booked until late afternoon and I could only make an early appointment. Despite Kayley being new to MKE and having no reviews (golden rule breach!) as Kayley's photos looked good and her services stated my 'likes' (DFK and OWO) I thought I'd take the risk.

Unfortunately for me, this was a mistake. Everything seemed rushed probably more because the client Kayley had before overran and I think she wanted to make up time. Contrary to the website, DFK was definitely not on offer and Kayley clearly wasn't overly keen on kissing (I always make sure my teeth are cleaned before an appointment and use mouthwash, so hygiene wasn't an issue).

The OWO was good and I'm sure some punters would be happy to have their time with Kayley but I certainly wouldn't recommend and wouldn't seek a return visit to Kayley.
