The Story:

Emma was very welcoming, friendly and fun throughout. She took great care to get the switch scenario I had in mind right, and carried it through very well. I was offered a shower before and after, she did not rush anything, and I was welcomed with a drink. First I was punished by a strict college principal for sniffing a girl's underwear in the ladies locker room - hand-tawsing, strapping, the riding crop and the cane - with Emma improvising and adding punishments at her discretion. Then it was time for Emma to return in her sexiest uniform, having been caught touching herself in lectures. Emma has a lovely bottom and simply loves being sparked (very hard) - I paid for a few strokes of the cane but in the end opted instead for the strap - which she could not get enough of and cheekily demanded more! Then onto two-way oral, I lost my A-level virginity (not in the original plan), and then finished up a memorable session in missionary. Emma is a beautiful girl on the inside and outside, extremely open-minded, friendly, meticulous and an all-round pleasure to be with. Treat her well.
