The Lady:

Nikita is a hot and experienced European lady. She has a tight, hot body and has a dirty look about her that told me she would be a great bit of action. The photos are a pretty fair reflection of what you will get.

The Story:

Nikita proved to be all she promised. She wasted no time whipping out my my cock and balls and giving me some fine OWO. She then gave me a nude massage which was even better. She knew exactly what to do to get me relaxed and turned on at the same time.

We got our bodies aligned for some oral fun. She did a great job on my member while I touched her pussy with my fingers inside and out preparing it for my tongue. I worked her pussy gently and she moaned from the pleasure as did I. We really had a great time.

The 69 session was so great that I was rock hard and ready for some filthy fun. I requested anal and I knew that she was going to be super tight. I had to lube her up first and prepare her for my huge cock. When I finally slipped it in she gave a loud yelp as cock slid inside her ass. I then gently forced the rest of my knob into her and started to build up a rhythm at which she yelped and moaned. It was obvious that Nikita knew what she was doing and spoke some filth as I rammed her pipe. It wasn't long before I blew my load all over her ass.
