### The Premises:

Nusha works in the Earl's Court area. I decided to use my car on the evening and while the road she lives on was quite busy, I managed to park in a side street nearby. The location is not only handy it is very nice on the outside and the inside. It is the sort of place where you would feel comfortable meeting an escort. I didn't feel conspicuous entering at the front of the building.

### The Lady:

Nusha is a gorgeous 22-year-old from Russia with an absolutely incredible body and a perfect set of tits. I was delighted to discover that she is just like her photos.

### The Story:

Nusha really knows how to kiss a bloke. To be honest she was so hot that even if she had bad technique I probably would have let her away with it. But she has the looks and the tongue and lip skills to match which is a rare thing.

She then gave me some outstanding OWO. I knew that it was going to be wild and so it proved. She worked my cock in an unbelievably erotic way licking and sucking it to perfection. When I slid my cock to the back of her throat she didn't gag either. She licked under my helmet and my cock couldn't have got any harder to be honest.

We then got onto the bed, I soon had her in the missionary position for a good hard ramming to get us started. She took it well and got me wound right up with some filthy chat which I have to say keeps the momentum going. I then had her in the cowgirl position and she went absolutely crazy; I had a job keeping her under control although that was a good thing. To complete the hour, I got her into the doggy position which was nothing short of ecstasy. It was great watching my length sliding in and out of her tight pussy while watching the look of pleasure on that face of hers. It wasn't long before I absolutely exploded all over her ass. Highly recommended!
