The Story:

Turned up at 11 am without a prior booking and just wanted to see who was available there and then

Receptionist was very nice and asked the ladies to come out and present themselves - altogether 5 ladies were free but to be honest after Isobel had come out second my mind was already made up She had such a sweet smile and was so happy to greet me and looked like she was really up for it i paid the receptionist for 30 mins and while isobel was getting herself ready I happened to notice a form on reception which listed Isobel's services - I was gobsmacked -this beautiful pretty happy go lucky girl who I had just booked does just about everything under the sun except for swallowing !!!! The list includes anal / 2men including DP - now there are not many girls who openly advertise that in Manchester are there and so I extended my booking to 45 mins in order to sample her many talents

Very quickly Isobel came back and together we went to the room

We chatted away while I took my shower and then I laid on the bed whilst Isobel gave me and sensual and relaxing massage and so when I turned over I was as rock hard as I have ever been in my life - all the time Isobel was chatting away telling me about her life and how she decided to offer all these extras because she really does enjoy them in her private life especially anal

Isobel had been wearing just a bra and a skimpy pair of knickers but she quickly removed these so that i could suck on those massive natural jugs and nipples before I headed south to lick and finger her - she guided me to her sweet spot - she really is so sweet and delicious down there and was soon breathing heavily and so I asked about anal to which she replied " OOOH yes - I thought you would never ask - just stick a finger or two in my bum first to get it ready" so I did with my other fingers deep inside her normal hole

This really turned her on as I DP'd her with my fingers - "I really wish more of you guys would be brave enough to come in in pairs and see to me like that " she cooed

Soon Isobel was giving me a good session of deep throat on my cock - you could tell she was concentrating so much and really did try her best to get her lips down to the base before easing back to tickle the tip with her tongue

this went on for a good 10 mins until I was so hard and then she said "Let's go straight to the anal first shall we" and so she expertly applied the cover

I could remember how tight she had been with my fingers and I looked in amazement at the width of my cock and was seriously concerned that I would hurt her so I said that I really didn't think it was a good idea and that we didn't have to go ahead with it but she replied" Don't worry it will be fine - I am nice and relaxed now and whats more I really want it up there trust me I really do love anal"

Izzy positioned herself above and gently lowered herself down until I slid right up her - how she took me I shall never know "Right she said that's in there now just leave the rest to me " and proceeded to bounce up and down gradually getting faster and faster until it was sliding right into the base and then almost completely out again - fantastic

She was looking directly at me with a smile on her face and was saying "this is so good - this is so good"

Izzy carried on like this for quite a while and said" OOOH - keep going coz I am loving this"

Eventually I had to ask her to stop before I came and so she reluctantly - in my opinion - climbed off me and said "Please do me some more anal from behind please " and so she got on all fours and easily guided me back into her

finally we changed condoms and finished with her riding me on top again before I finally came the last few minutes were spent just kissing and cuddling as we both wound down after a mind blowing experience

what a fantastic lady - so nice and cute yet so horny - she obviously gets a lot of enjoyment from her job as well as the money - go and see her guys she really is special and don't be put off by the hair - it really is much nicer in reality

Izzy - you really should have some better photos taken

thank you so much and I will see you again soon xxxxxxxx
