The Premises:

The venue was in a travelodge hotel but I do not know the price as it was paid by Vidya. It was easy to find as Vidya's directions were clear. It was easy to park and the car park was very discrete. The room was clean and comfortable with an en-suite bathroom which I did not use. I felt very safe and it was a simple matter to walk in on my own

The Lady:

Small, well built Indian lady with shortish black hair in her forties. She has the most beautiful brown skin, smooth and soft: her ample breasts are delicious and her nipples are very responsive.

The Story:

Vidya was outgoing, chatty and bubbly and the meeting was just as I wanted and when it was over we lay on the bed in each others arms and chatted - there was no rushing although I knew that she was expecting another visitor

Vidya gave me a gentle back massage while I stroked her thighs. She turned me over and continued with her ministrations making me stand to attention.

I asked for oral and was informed that with new clients it had to be protected which did not seem unreasonable and Vidya gave me a delicious sucking. I asked to return compliment and she has delicious inner lips and she responded to my ministration with a considerable out-pouring which made me very excited. She brought me to orgasm with a combination of hand and mouth

There was no doubt in my mind that Vidya enjoyed the encounter and I only wish that she was in Dumfries more often so that I could see her more frequently. I think that perhaps the best was that after she had cleaned me we lay on the bed and chatted away as if we had been friends for years. Come back soon as I am looking forward to OWO.
