as previously described.

The Lady:

Brit, very pretty, reportedly and conceivably 21, blonde highlighted hair, slim, small - medium sized breasts, fully shaved between the legs. Her hair is very different to the photos currently posted to her profile (Twitter pictures provide a better impression) and in my opinion makes her look far nicer.

The Story:

I don't know whether whether Leona has had much experience in the industry but she certainly seemed shy when she'd entered the room and the dynamic between us was a bit stilted. This was soon overcome when the action intensified and the punt turned out to be an excellent one with lots of fk which morphed into dfk as passions became aroused, frottage, fj, owo, ro and very enthusiastic and vigorous intercourse (covered) in firstly cowgirl then doggie culminating in missionary while dfk'ing.

I definitely intend to see her again.
