The Premises:

Amazing flat - one of the best furnished locations and interiors/loo I have punted at. Discrete basement entrance in a very nice part of town.

The Lady:

With her summer dress a beautiful teenage dream girl - around 5"4 with blue eyes soft straight blonde hair and a nice smile / complexion. With her dress off less so - around a size 10+ with some excess weight around the hips and waist along with slight stretch marks. Which she updated came from a 30kg weight loss and not a baby.

The Story:

Eva greeted me at the door wearing her dress - she looked a bit tired with dark eyes but as she looked so tempting I didn't listen to my internal alarm. She greeted me warmly and proceeded to DFK me passionately. I asked for some water and she got me a nice cool bottle.

After I requested her to dance for me as there was music going but she just went and plonked herself on the bed, proceeded to chit chat and I needed to push matters - some more DFK followed by ok OWO - it got better for a moment and then faded again. She yawned and I inquired if she was sleepy - apparently had been to the tanning salon and the head in London resulted in her being tired. I then proceed to ask her to remove her dress - surprised she hadn't done so - was horrified to see that she has some stretch marks and a not fit figure. I was told she is not slim by the lady who runs and we have a very good rapport but this I was not expecting from a 19 year old. Also very tiny boobs - lovely tan and nice soft skin. I got flaccid as a result and asked her to lick my balls, after another yawn she started playing with them with her hand, I then put my hand to her head and guided her for some mediocre ball licking followed by OWO. Once I was erect again did her in Missionary and doggy / finished in the rubber. She had put lube and it was not a lousy lay but as it has been a few weeks since I did anything on my own or otherwise it was not a problem to finish. She then offered me a wet wipe to clean myself and then just lay down next to me as if it was all over. I asked her to massage my legs - mediocre and then requested some OWO but couldn't get aroused again. Left 10 minutes early.

My dear friend at Your Escort has promised to compensate with a good girl in lieu of this unfortunate encounter. To be fair Eva did have some amazing reviews on others sites and is a very pretty lady. I did my HW but it was still a disappointment - none of the enthusiasm that other punters

referenced. Even if a girl is not my type she can still get an A for effort.
I might have caught her on a bad day and therefore am giving her a neutral given all the other good reviews she has...
