The Premises:

A modern flat in the centre of Croydon. Clean and tidy with scented candles to add to the mood. Meter parking is available outside. The premises is easily walkable from East or West Croydon rail stations. Good shower facilities are available.

The Lady:

Maya's description on her AW profile is accurate although she has put on a few pounds since her photos were taken. I found her to be a very friendly, cheerful and a nice cuddly girl. Whilst she is Polish, her English is excellent.

The Story:

Maya's profile on AW seemed to be the pick of the bunch in Croydon late on a Sunday evening so I gave her a call. She told me where she was working from and asked me to call her again when I was outside which I duly did. She then let me in and showed me straight to the bedroom. I didn't see any neighbours and I'm pretty confident that they don't know what's going on.

After completing the paperwork, I started to undress and Maya left the room. She returned a few minutes later stark naked. We then started to explore each others bodies. Unfortunately there was no kissing on the lips although Maya was happy for me to lick and caress her fantastic DD breasts.

This was followed by an excellent covered BJ. We then moved on to sex in cowgirl, missionary and doggy positions after which I came. I then showered and headed home. Overall Maya was a decent punt and worth a positive recommendation for value for money if, like me, you enjoy having sex with large, curvy girls rather than coat hangers.
