### The Story:

Megan has been on the Hotlist for a while so the time came to pay her a visit but I could only spare half an hour. Once I got the post code it was obviously a flat used by others as I've been there before and seen Lovely Emily. Good comms from Megan and I arrived on time for the appointment. She was dressed in high heels and a little black dress, I sorted out the paperwork and freshened up in the bathroom. Back into the room and Megan got undressed to reveal a very slim and toned body with lovely smooth skin. Started with kissing, some tongue action but not full-on DFK, nice all the same. Megan asked if I wanted covered or bare oral and I agreed to OWO which her soft mouth did expertly. I had to stop her as I was getting close and didn't want to finish so I moved around and started RO on her. Megan has a small puffy pussy with protruding inner labia, I got her whole pussy in my mouth with ease. She started to make all the right noises and judging by the taste I think she came too. On with the cover and we had normal missionary but looking down at me slipping in and out of that tight hole sent me over the edge and I was only a couple of strokes in before I shot the load. I had a quick shower then got ready to leave, all the while Megan was pleasantly chatting and in no hurry. Lovely girl and I'd recommend you give her a go if you like them slim and not busty. Can't say if she does everything on the preferred list as only did what I described.
