### The Premises:

GFE Bury is a really tidy parlour, you can get a cold drink before going into the room. The rooms are excellent with showers and two towels.

### The Lady:

Emel was wearing a simple all in one parlour skimp. She has long dark hair, is extremely attractive with good poise and respectful manners.

### The Story:

I noticed Emel a couple weeks ago when I last visited GFE. She is strikingly attractive, tall and slender and looks terrific. I was so pleased to spend a little time with this beautiful woman, who is rather quiet but incredibly sexy. The website mentions that she is half British and half Arabic, well she certainly is a very distinctive and gorgeous looking woman.

Emel doesn't offer extras, but when I saw her, it didn't put me off at all. I was really keen to meet her and enjoy some fun with a standard GFE. Her figure is fantastic, slim, good sized natural breasts, which look perfect for her shape, nice long dark hair, good make up and jewellery. A few tats, lovely skin tone and a nice firm body.

Oral was a little too quick, but not something I was too bothered about as I love mish and mentioned that near the start of the service. Fortunately for me, Emel is rather keen on it too so that is where we were soon heading. First though, she spent a few minutes bringing the little fella up to speed, exclaiming with surprise when he got to his full size. Very light kissing throughout the service btw, no DFK.

I would say you are best taking the lead with Emel, as she seems quick happy to just take things as they come. She is splendid company and I was simply enjoying the view of her delightful expression on her face when we explored a variety of positions in mish. Taking it easy to begin with, but once she had adjusted to my size, we spent quite a while enjoying each other in this way. Delightful.

Doggy was also a very pleasant sight, particularly when I put her in a position where the lady is face

down and she has her legs together. Judging from her response, she was certainly enjoying this one too. With Emel, girl on top is one of the best sights that you will see, she has beautiful breasts and they looked so good as she was doing her thing bouncing up and down. Fantastic sight.

As things slowed down a little I went in for some very pleasant RO, which was nice and clean and fresh. Hand job to the finish, whilst she played with herself.

All in all, a rather relaxed GFE, which was enjoyable and it was good to spend some time in the company of such an attractive woman. I showered alone at the end. Great service from the receptionist and a friendly welcome at the front of house with a cool drink etc. Saying cheerio to all the girls was fun also, so many beauties in that place, and then off I went, out into the normal world feeling very happy.
