The Story:

I've been a fan of erotic massage for a while but haven't had chance to visit Yorkshire and Helen until now.

I'd read good reviews and wasn't disappointed.

I made an appointment 3 days in advance and confirmed on the day. I arrived about 15 mins early and called Helen. She was ready so I proceeded to the premises.

From start to finish it was a lovely experience. Initially a bath with assistance from Helen. Then a gentle teasing massage on my back with lots of concentration on my bottom and balls. I didn't know whether to feel aroused or relaxed so I did both! There was plenty of oily body to body. Then she asked me to turn over and it picked up pace. Needless to say it ended fantastically.

I found the whole experience very erotic. She was pleasant, friendly, attractive and very skilful in giving me pleasure. I felt unhurried and she didn't seem in a rush to get me out, checking my clock on leaving I'd been there 1hr 15mins but I'd guess 15 mins of that was a drink and chatting at the end which I enjoyed but may not be to everyone's taste.

One of the best sensual massages I've had.
