The Premises:

The normal MKE address many will be familiar with.

The Lady:

Jenna is a very attractive, slim blonde lady. The photographs on the website give you a good idea of what you will get.

The Story:

I booked Jenna for 30 minutes (my normal approach for a lady I haven't previously visited). When she walked in I immediately regretted not going for a longer booking. Unfortunately due to her being so much in demand extending my visit wasn't an option.

Lap dancing was mentioned on her profile, so I asked Jenna to start off with a dance to get me in the mood. Well all I will say is it didn't take long.

I won't go into explicit details of our meeting, but Jenna gave a very enthusiastic performance and I left very satisfied. I will be visiting again as soon as possible and next time for a longer appointment.
