The Premises:

Second floor flat in Bayswater, a few minutes walk from a couple of tube stations. Large room with double bed and couch, kitchen area in the corner. Small shower room but clean.

The Lady:

Pretty lady with a lovely smile and sparkling eyes. The most accurate photo of her is the top right one on the SAE website. I'd guess her age to be 28/29.

The Story:

Up the several flights of stairs to be greeted by Jessica standing in her open doorway with a big smile. Good start. If you're looking for DFK then Jessica is not the lady you're looking for. But if you like cuddles and lots of soft kisses she is the one. Into the small shower, which only takes one person and back to the couch with a sexily dressed Jessica. Kisses and cuddles with hands roaming everywhere. Eventually ended on the bed, clothes now long gone, with fingers now exploring a lovely body. Nowhere off limits. Jessica was warming up now and didn't mind moving into all sorts of positions. OWO was good and getting better and her finger was going in a very dark place. I didn't think she was going to manage the DT but she was a star and eventually made it without hands and a bit of head pushing from me. On with the cover and off we went ending in a position I'd never experienced, and I've tried a few. Not sure how we both kept our balance with that one. Ended with a top class facial and me sweating like the proverbial. Clean up and collapse on the bed. A nice chat with Jessica, her English is excellent, and on to a strong massage which was very good. Enough time left for both of us to sit on the floor facing each other looking into each other's eyes, both using our hand to come to another climax. Quite brilliant. Another shower then back to the real world. Money well spent.
