### The Premises:

Fingertips has been is under new management for some months, and it continues to be very well run. The rooms are very clean, comfortable, newly-redecorated and well-appointed. Once again, Fingertips has become the best parlour in the Potteries.

### The Lady:

Scarlett is new to the area, having come up from Bristol. She is a brunette, about 5' 5", with a perfect voluptuous figure and lovely bronze skin. Aged 35, she has the athletic body of a 25-year-old. She is intelligent, witty and good company.

### The Story:

It being my first visit to Fingertips for a while, I chose to have just 20 minutes. Scarlett was the only girl on duty and, judging by the number of doorbell rings, she was having a very busy day. Nevertheless she came in to see me fresh and good natured, and a fine time was had. After the main event was over, she left to be introduced to the next client, so I had only some 15 minutes of her company; I prefer it when girls stay in the room for a while afterwards. I'm sure she will prove very popular, as she is by far the classiest girl that Fingertips has had for some time
