The Premises:

An upstairs flat in a parade of shops in an area called Blackfen. It was between Welling and Sidcup. The entrance wasn't discreet, but the room was clean and comfortable.

The Lady:

A young, light skinned Romanian girl with pert A cup breasts. Age wise maybe late teens to early twenties.

The Story:

This was a fast turnaround location. 2 girls were working and I think I got the best girl. Morena seemed a bit shy removing her bra to reveal her small, pert breasts & pink areolas. She had a lovely firm, round bum which was a joy to squeeze. The session started with uncovered oral and I think Morena was determined to bring me off with a very fast action. She then climbed on top for cowgirl and after a couple of minutes we switched to doggy. I came after minute or so. It was a bit off putting to have the other older girl come into the room to fetch another punters trainers and take them into the adjoining room.
