The Story:

Suzi has the one of the best set of boobs I have probably ever have seen. I am usually a bum guy but Suzi has made me think twice. When I arrived she gave me a warm welcome. She was a beautiful girl for sure and her services were skilled and enthusiastic. She started with a great naked OWO and then enjoyed being fucked from all positions. The main thing about Suzi is her ginormous boobs which were super fun to play with when fucking her from different positions, my personal favourite being from the cowgirl position where I could see her boobs bouncing up and down while she rode me good. If you are not a boob guy then give Suzi a try because I can't see how anyone would not want to have sex with a girl this busty. I very much enjoyed Suzi company, a nice girl and a good shag and I would recommend her to anyone.
