The Premises:

Small block of flats, not too far from the city centre and with plenty of parking nearby. (There is a supermarket a short walk away.)

Pleasant, modern apartment in a quiet side street, saw hardly anyone else going in or out, nice and discreet, I doubt very much the other residents know the apartment's purpose, not her home purely for seeing clients. Nice shower to use afterwards or before, everything you might need and more.

The Lady:

Well, I can't disagree with her own description of herself as a "head turner", it's hard to imagine any man not wanting to take a second or more look. She is tall, elegant and beautiful. (Indeed quite what she is doing on Adultwork rather than having her own website is a bit of a mystery.)

The photographs you see are definitely her but, if you have credits on there, don't expect to see her face if you opt for her "private" collection, even there it's kept hidden. There's a good reason for that, she is - yet another - student, who wants this kept secret, using escorting to pay her tuition fees and why not? So she will only be around for a while, I don't know for how long, but opportunities to enjoy the company of this delightful, intelligent and very sexy lady are going to be limited to a year or two, I would guess.

She is tall, well spoken, has a warm smile and, if you met her socially, you'd never guess what she did, very much the lady from top to gorgeous bottom!

The Story:

As with all Adultwork profiles there is a list of "likes" and I'd be surprised if Darcy does not offer them all.

She likes early morning appointments, so what better way to start the day? My requirements were relatively simple involving giving and receiving (covered) oral, at which she excels, and ending with a nice handjob. I thought she was going to crush my head when she came herself (!) and it was definitely not a faked orgasm. I'm saving full sex for next time, for there will certainly be one of those.

Not sure what else to add except to say that she is a rare diamond compared to other (shall we say?) semi-precious stones I've encountered! There's a real dearth of good escorts in York and Darcy is head and shoulders (quote literally, as she is tall!) above the others.

Enjoy her company whilst you can and please be as nice to her, as my experience tells me she will be to you.
