The Premises:

The place is in Berwick Street and is very popular. I have been here for many years and the standard of girls is always a high one. The maid is lovely and friendly and I always look forward to chatting to her if I have to wait for Nadia.

The Lady:

Nadia is a very petite beautiful girl with lovely small breasts, an amazing bum and a lovely shaved pussy. Surprising that someone this beautiful is working in a Soho walk up. She is so friendly, too, and is great to chat with. Faultless in every way. A lovely, bubbly personality and the cutest voice you will ever hear!

The Story:

I gave Nadia £20 for a covered blow job plus £2 for the maid. Having seen Nadia nearly ten times now, I knew how good the blow job would be. She does it in such a way that her perfect arse is almost in my face and the way her mouth slides up and down my cock is a 10/10 experience. As what sometimes happens with Nadia, after 10 minutes of perfect cock sucking from her, I am so turned on that I have to give her another £20 to have sex with her. This is such a great experience as she responds to my requests of pinching my nipples so hard that it hurts during sex. I didn't cum on this occasion but had my hard cock inside her for nearly ten minutes and loved every second of it.

I look forward to seeing Nadia again very soon and can't recommend her highly enough.
