The Premises:

Apartment in tall block, She is called Luscious-Surprise on her profile and tours round London. Clean and with shower available.

The Lady:

Looked a bit different from what I had expected from pictures. Skin darker and on this big lady everything is good and firm. Big firm tits and big firm bum were great bonuses and no big belly fat.

The Story:

Had a good time. I was surprised and pleased with how big but how firm Valentina's body was and I was allowed to explore it and enjoy getting my hands and lips on those breasts and my face between her buttocks.

Valentina sucked me and let my fingers tease her bum rather than her pussy - no complaints from me.

We had sex in various positions and this was really satisfying and enjoyable. Easy chat and laughs throughout the meet made this a very pleasurable meeting.
