The Premises:

Well known, good facilities and lovely receptionist.

The Lady:

Delia has an attractive face to go with her very impressive body including its firm and large breasts and bum. Her photos are very accurate and her face is not blurred to dupe you. Delia speaks good English with a very polite manner.

The Story:

Oddly I hadn't seen any of the escorts working this day but I think I would have struck gold whoever I had chosen.

Delia does not put on a sexy persona, she stays true to her very polite and thoughtful personality and, allied to her knock out figure, this is a winning combination.

She offered a massage and I asked to do it on her instead and that was very pleasant on her shapely body and with her compliments.

Delia than sucked me before we switched to 69 and then onto sex in various positions.

I loved Delia's politeness interrupted by moans and gasps of pleasure.

A lovely time with a lovely lady.
