The Premises:

As always, clean, pleasant and the new-to-me receptionist as helpful and friendly as the others

The Lady:

Gives the impression on pics and in real life of being taller than her stats say and with a lovely body with curves in all the right places as we used to say. Perfectly good English with an attractive accent and friendly manner

The Story:

We felt at ease with each other from the moment Angelica came into the room as she is a lady at ease with herself and looking forward to the sexual experience.

We had a cuddle before moving onto the bed for mutual fondling and some preliminary quite personal conversation.

Any sexual touching was appreciated by either of us with Angelica's body a lovely place to let hands and lips wander over. Everything was intertwined with bouts of affectionate kissing.

From oral to 69 and then to sex with both of us seemingly enjoying it equally.

There was no rush from Angelica and she was simply a very enjoyable lady to spend the time with.
