The Lady:

Lottie is very short and very slim, with a toned body that obviously sees a lot of the gym. Her hair is normally tied in a ponytail. She is always immaculately turned out and you get a real sense of professionalism.

The Story:

I have been back to see Lottie several times, because she is a honey and gives amazing service. Lottie does take control, and always starts with a short, great back massage that ends up much better than you expect. Lottie has a few tricks up her sleeve, including a very interesting and different BJ service, she also gives the best, gentlest and most intense anal experience you are likely to find - highly recommended for newbies or if you are interested but have never gone there. When I complimented Lottie on her great service she made a comment that says it all for me : "I love pleasing men".
Highly recommended.
