The Premises:

Discreet entry to a clean and tidy place. Interesting themed decor - reminded me of the Orient. Private individual massage rooms so no danger of meeting another customer. Clean showers with fresh towels and complimentary toiletries.

The Lady:

This was my 1st meeting with a new girl named Saskia. She certainly lives up to the beauty of all the Hush girls.

Saskia is mixed race girl in her early 20's, very pretty with beautiful brown eyes. If you're familiar with the song "I got it from my mother" you'll know that she has a perfect bootylicious bum.

The Story:

I was offered a drink upon arrival and Saskia joined me in the room. She started off with soft teasing with feathers before oiling up and treated me to a body to body massage. The time flew by and although my time was up, Saskia said she couldn't leave me without finishing her job! She carried on working her magic 'till the happy ending explosion!
