### The Premises:

Spacious ground floor flat in very quiet area about ten minutes walk from Queensway station. Immaculately clean throughout including the bathroom which had a nice hot shower. Although new, Pippa came recommended by receptionist at Olina, who is always helpful and professional.

### The Lady:

Always difficult to tell but I would place Pippa in her late 20s. She was pretty much as her photos with a lovely friendly smile, and petite.

### The Story:

Pippa is very careful about hygiene so our time together started with a chat and a drink followed by a long and thorough shower together, which began to get me thinking she may be wasting some time, as I had only booked one hour originally - nothing could be further from the truth!

As soon as we returned to the bedroom, she was all over me and I can honestly say if you like lots of deep kissing, she would have continued non stop for the entire time!!! This led to a quick decision to extend...

A thoroughly enjoyable GFE followed with lots of kissing and OWO, but nothing very adventurous, but that is not a criticism for a lady who is so friendly and passionate in a GFE role.
