The Lady:

Gorgegous face, long blonde hair, white Italian, slim figure, nice perky tits and bum. I'd say about 5'6 so medium height, maybe size 8 dress, so easy to move around ;) In her pics you can't see her face but trust me, she looks cracking!

The Story:

Wow what can I say! Melanie was just amazing. She only does outcalls which is fine by me, I just sat back and waited for the fun to come to my door. I waited around 45 mins, which was super quick and then sure enough, she definitely delivered! When I answered my door I was taken aback by how hot Melanie was. Was a bit wary as couldn't see her face in the pics, so was going on her slim looking body. She is really beautiful though and gave me a nice welcome. Her services were just fantastic - starting me off with a naughty striptease then a sloppy OWO. Melanie's got no problem switching up and letting me put her in all kinds of sexy positions - you can tell this girl proper loves sex and is good at what she does. Would deffo come back for more and recommend her to others.
