The Premises:

A discrete location, but easily accessible. Friendly Reception, drinks offered.

The Lady:

Average height, accentuated by gorgeous stilettos. Large breasts and very attractive with long flowing hair. A lovely curvy shape to her, a proper woman perhaps in her late twenties/early thirties. She looks great on her profile and did not disappoint in the flesh, so to speak.

The Story:

Could hardly have been better.

I like to stand together caressing and getting hard which she enhanced with stroking. We kissed and I fondled her lovely curves and fantastic breasts. Slowly we removed her tight leather dress, she pulled down my boxers, also slowly and then I laid back whilst she did OWO and swung her breasts over me. Wonderful. I then licked her pussy and after more fondling and stroking she put on the condom and I fucked her until I came.

Absolutely perfect.

There might be more position to try, and or cumming over or between her breasts, but that can wait for next time.

I cannot recommend Angell highly enough, a wonderful disposition, friendly and very sexy at the same time.
