The Premises:

Basement flat about 50 yards from West Kensington tube entrance, so easily found. Not sure about availability or ease of parking, shown into room immediately by maid, had a shower, all very clean.

The Lady:

The photos do make Ella look even more desirable than in reality but nevertheless I found her very attractive, lovely personality, funny, open, interested in pleasing you.

The Story:

It seemed a long wait til Ella entered, but I always enjoy those minutes of anticipation. Wearing a skirt and top, which she removed as time went by, into full on DT of my appendage, she could indeed suck for England , Spain or is it Romania as another reviewer reported, but I don't care where shes from, she was fabulous.

Lay beside me, sucking continuously of my cock, allowed access to pussy for gentle fingering, some snogging, playing, then some fetish activities, which she delivered with aplomb, finished in her marvellous mouth, and of course a snowball to round it off!

Brilliant punt, highly recommended!
