The Story:

Avoid. Avoid. Avoid. Arranged 15 minute quickie. Appt was for 3pm. At 2pm she texts to cancel. I reply and then she says she can do 230pm. Decide to go for it. Ring 10 mins before to say I'll be on time. Great. Get to location, ring her, no answer. Rang about 5 times and texted. No answer. Decide to leave. About an hour later she texts and claims to have fallen asleep! Arrange for same time next day and she said she'd do 30 mins for same price. Get text then around 11pm. Says she can't do it. What an utter time waster. Don't even bother.
