### The Premises:

Discreet basement flat. Very clean and tidy, with bath/shower, large double bed and couch. Mint keeps the place very nice indeed. Couple of minutes walk from a couple of tube stations.

### The Lady:

Attractive lady looks to be 29/30 years old and a couple of pounds larger than her photos.

### The Story:

Mint dressed exactly as required with those featured red thigh high boots and not much else. Quick shower and into the GFE , plenty of DFK gentle groping and fingers exploring. Mint wears braces but the kissing was long and very sexy. A fantastic arse was a lovely handful. So Mint started as a very giggly, cuddly lady but as the minutes ticked by gradually turned into the full PSE. Nothing at all off limits and the OWO was pure pornstar, turning into DT , gagging with drool the full works. Mint was willing to try everything in all positions eventually taking the lot in her mouth. A quick outfit change as requested, Mint must have a selection of about thirty pairs of killer heels, and off to the races again. Spread on the bed, standing while Mint bent over double, upside down , nothing too much trouble for this lovely lady. Her english isn't brilliant but we got by well enough. A second climax all over her tights that she'd changed in to and I was done for. A great 90 minutes with a lady who really knows what she's doing. Time for another shower and back to find all my clothes laid out neatly on the bed along with a cold bottle of water for the journey home. Old school.
